

Worksheet 8

A) Read the passage and answer the questions:

I had an amusing experience last year. After I had left a small village in the south of France, I drove on to the next town. On the way a young man waved to me. I stopped and he asked me for a lift. After he had got into the car, I said good morning to him in French and he replied in the same language.

Except a few words, I do not know any French at all. Neither of us spoke during the journey.
